Meet Willow!

Willow Sweeney is a nationally recognized speaker, author, educator and co-founder of Top 20 Training, an organization dedicated to helping groups and individuals unlock their potential through healthy thinking strategies and effective social skills. Since 2002, she and her team have trained over 1,000,000 leaders, educators, students, parents, and professionals from all industries across the United States and Canada.

Willow's dynamic presentations and practical tools have made her a sought-after keynote speaker and trainer for national conferences, school districts, organizations and businesses.

Willow is a natural connector blending humor with warmth and presence with power. She doesn't just inspire change she ignites it! Whether she's guiding a room full of educators, leading a team, or working one-on-one, Willow creates trust quickly and sparks lasting growth. She doesn't just deliver insight - she empowers action!
