

County and Tribal Workers Only - State Medical Review Team (SMRT) ISDS User Access Requests

County or tribal employees (financial workers, MnCHOICES assessors, social workers, etc.) who would like to obtain access to SMRT's ISDS system must first complete an ISDS User Training.

- Training sessions are held monthly on the third Tuesday.
- Registration for this training can be found on TrainLink under *SMRT301* in the Course Catalog.
- Completion of this training is required every two years.
- Attendance at monthly ISDS User Q&A is optional for all ISDS users.
- Once training is completed, county/tribal workers will be granted access to review:
 - Referral status.
 - Certification period information.
 - Denial or withdrawal reasons.
